Staff recently opened bids for real time closed captioning for the City Council meetings and hopes to have this new service and feature going in the next month or so. Mr. Patterson asked if MTSU has a class for closed captioning. Mr. Hienrich said he thinks they do. Mr. Patterson asked if there would be an opportunity for a partnership. Mr. Hienrich said the School of Journalism has a multimedia section and he would look into it and get back with City staff in the next couple of days.

MEMO

To: Murfreesboro Cable Television Commission
From: Alan Bozeman, Communications Director
Date: December 1, 2016
Re: Comcast Rate Changes

Staff recently received the enclosed notice from Comcast regarding rate changes to take effect January 1, 2017.

As some of you may recall, the City was certified by the FCC to regulate rates on limited basic cable service and equipment and installation rates. In the past, the Murfreesboro Cable Television Commission reviewed Comcast's FCC rate forms and set the maximum permitted rates. Several years ago the FCC revoked the City of Murfreesboro's rate regulation authority, along with other Tennessee local franchise authorities, based on effective competition in the local market.

No action is required by the Commission regarding this matter and is for your information only.

Mr. Alan Bozeman
Communications Director
City of Murfreesboro
111 West Vine Street
Murfreesboro, Tennessee 37130

Dear Franchise Administrator:

As part of our ongoing commitment to keep you informed, we want to let you know that Comcast's right to continue carrying:

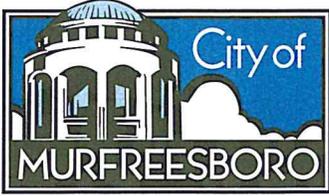

- Fox College Sports Atlantic;
- Fox College Sports Central; and
- Fox College Sports Pacific

(collectively referred to as "Fox College Sports") will expire on December 31, 2016. At that time, we lose authorization to continue carrying Fox College Sports signals, so we must remove the programming from our lineup on January 1, 2017.

We are committed to keeping you and our customers abreast of the expiration of upcoming programming agreements. We regularly inform our customers in their bills, and our customers and franchising authorities in our annual notices, that we maintain a website (www.xfinitytv.com/contractrenewals) and toll-free number (866.216.8634) that are updated regularly to reflect the programming contracts that are set to expire each month and the channels we might lose the rights to continue to carry.

Sincerely,

James A. Macke
Vice President, External Affairs
Big South Region
