The Murfreesboro City Council renamed the existing east-west segment of Community Circle to Jerry Anderson Drive during the May 15, 2014 council meeting. Jerry Anderson, who played football for the University of Oklahoma and in the National Football League (NFL) for the Tampa Bay Buccaneers and Cincinnati Bengals, lost his life while saving the lives of two young boys he did not know on May 27, 1989. Anderson was only 35 when he drowned. The street named after him is only a few miles from where he drowned.
