Murfreesboro 2035 is a community-wide process to plan for the next 20 years of growth and development. The final results of the two-year planning process is the City of Murfreesboro's Comprehensive Plan, a community guidebook that specifies policy, program, and project initiatives for the City. The plan elements include major functions of the City, including transportation, land use, housing and neighborhoods, parks and recreation, public facilities, historic preservation, and economic development with a focus on population growth and infrastructure.
