### **St. Clair Street Senior Center Closed Due to Water Flow Valve Break**

**MURFREESBORO, Tenn.** – The St. Clair Street Senior Center, located at 325 St. Clair Street, is temporarily closed due to a break in the main water flow valve for the facility. The St. Clair Center's Valentine's Day Dance scheduled for Friday night, February 13, at 7 p.m., has been postponed but will be rescheduled to a later date.

"Due to the lack of water, the facility and programs will be closed Friday and Saturday," said St. Clair Center Director Connie Rigsby. "The closing will also affect the Mid-Cumberland Meals on Wheels program for Friday because the meals are distributed from St. Clair Street Senior Center."

The valve necessary to repair the break has been ordered. Due to the Presidents Day holiday weekend, if the flow valve can't be repaired by opening of business on Tuesday, February 17, St. Clair Street Senior Center may remain closed until the problem is resolved. On a daily basis 200 participants visit the Center for activities that include health, educational, recreational, and physical programs.

St. Clair Street Center staff will activate the Center's Voice Connect notification system to notify all participants who are registered with the 'My Senior Center System,' which was established in 2009 to be keep members informed.
