City Water and Sewer Department 2014 Water Quality Report Online

FOR IMMEDIATE RELEASE: July 9, 2015

MURFREESBORO, Tenn. – The Murfreesboro Water and Sewer Department (MWSD) 2014 Annual Water Quality Report is available for viewing online on the City of Murfreesboro website. Murfreesboro drinking water meets or exceeds all federal and state requirements.

To view the report, including Water Quality Data Tables in the report, simply click the link: <http://www.murfreesborotn.gov/ArchiveCenter/ViewFile/Item/503>.

Some important questions answered in the 6-page report include the following:

1. Where does my water come from?
2. Who regulates drinking water?
3. Is lead in my drinking water?
4. What if I am immune-compromised?
5. How can I help conserve water?
6. How can I help protect my source water?
7. How good is MWSD's water?
8. How does MWSD make my water safe?
9. How is MWSD funded?
10. What if I have a question about my bill or methods of payment?

If you have questions about the 2014 Water Quality Report, contact Alan Cranford at (615) 848-3222.
