The citizens of Murfreesboro can also learn more about the latest draft chapter of the *Murfreesboro 2035* plan in the November episode, hosted by Mike Browning. Draft Chapter 7, *Economic Development*, is part of the City's comprehensive plan for the next 20 years.

Airing on CityTV throughout the month of November, 'In the City' also includes:

- The **Murfreesboro Fire & Rescue** Department maintains a high I.S.O. rating with hands-on training at the vacated Franklin Heights Housing Complex. See how firefighters train for a variety of scenarios to improve safety for firefighters and fire victims.
- Learn how the Murfreesboro Stormwater Department creates buffer zones along tributaries like **Garrison Creek** to enhance water quality and improve habitat development.
- Watch the City's drone in action at Barfield Park. The City of Murfreesboro is training to use **Unmanned Aircraft System** (UAS) vehicles for a variety of support services. The City's FAA Certificate of Authorization (COA) is available at <http://www.murfreesborotn.gov/certificate>.
- And two **MFRD's teams** are recognized by Mayor Shane McFarland for responding to the aftermath of Hurricane Joaquin.
