

Murfreesboro Bird Club

Murfreesboro Bird Club is a program open to anyone who is interested in birds and bird behavior. Whether you have your own backyard bird feeders or are just curious as to what birds you see wading in our local river, this group will help you identify and learn about some of those fascinating species. All levels of experience are welcome to join the Bird Club that meets once a month at differing locations around the city. At each location, a short hike is offered where the group will try to identify as many birds as possible. Please bring your own binoculars if you have them; a few will be available for use on a first-come, first served basis.

- This is a free program
- All ages are welcome
- Check out the Rec Connection for current dates and times of upcoming Bird Club meetings.
