

Family Campouts

Barfield-Crescent Park is home to a beautiful backcountry campground. Every year, at least two Family Campouts take place here. Dinner and breakfast are provided and are included in your registration fee. Guided Night Hikes, Owl Prowls, Campfire Fun, and Music makes this camping experience a night to remember. Tents (2-person and 4-person), ground cloths, sleeping pads, and backpacks are available by request when registering to camp. Each person participating in the Family Campout program is required to take a one-time Wilderness Awareness Workshop to learn the fundamentals of the Leave No Trace program.

- Family Campouts take place in the spring and fall
- Cost is \$10/adult, \$5/children ages 5-12, free for children 4 and under
- Check out the Rec Connection for current dates of upcoming Family Campouts

Approved groups such as scouts, youth groups, or college organized clubs can also camp in Barfield's campground without a staff member. To qualify as an approved group, a Wilderness Awareness workshop and a Leader's Orientation must be completed.

Email the station to learn more about group camping and reserve a date for your group.
