Mr. Larry Wilkerson seconded the motion. Motion passed.**

A hero rate proposal for active-duty military, veterans, law enforcement, fire and EMS personnel was discussed. Mr. Allen Richardson said that he does not support the idea of a 10% discount. Mr. Larry Wilkerson said that initially there was a policy for no discounts to City Council, the Mayor, and members of the Golf Commission.

After the last Golf Commission meeting Mrs. Angela Jackson presented information to City Council regarding the V.A. Golf Course. A meeting will be scheduled in late October or early November to discuss the V.A. lease renewal. Mrs. Jackson said that a member of the Golf Commission could be a part of that meeting.

Mrs. Jackson took the opportunity to brag on the Special Olympics program and the Golf Department's involvement with that organization.

Mr. Marty Mayo said that aerification will be done at the end of September.

Mr. Larry Wilkerson complimented the Old Fort Golf staff and their attentiveness and courtesy to customers.
