### **Design Public Meeting scheduled on Bradyville Pike Improvement Project** *Proposed improvement would expand travel lanes, add bike lanes and sidewalks*

**FOR IMMEDIATE RELEASE:** November 14, 2014

**MURFREESBORO, Tenn.** – The City of Murfreesboro will conduct a public meeting at Patterson Park Community Center, Thursday, December 4, 2014, from 5 p.m. – 7 p.m., to provide an opportunity for public comment on the proposed Bradyville Pike (SR-99) Improvement Project. The 2.1 mile widening project from Southeast Broad St. to South Rutherford Blvd. would improve the section to 3 travel lanes, including 4-foot bike lanes, 5-foot sidewalks, and the addition of curbs and gutters.

Representatives from the City of Murfreesboro and design firm engineers will provide a brief project introduction during the public meeting. The public will be given time to review and provide public comment. In addition, public comment cards will be available for the public to provide written input on the proposed improvement within a 21-day period.

To review proposed plans of the project prior to the public meeting, the public is encouraged to contact City Transportation Director Dana Richardson at [drichardson@murfreesborotn.gov](mailto:drichardson@murfreesborotn.gov) or by calling (615) 893-6441. Citizens may also contact the design firm by calling Mr. Greg Judy of Neel-Schaffer, Inc. at (615) 217-0550.

A project location map of the proposed Bradyville Pike Improvement Project is attached.
